

MITC2020NE

Malaysian International Tribology Conference
5-7 July 2021

KEYNOTE SPEAKERS

Topic: Friction and wear behaviour of CoCrMo alloys for orthopaedic applications

Topic: Easy glide - How ionic liquids can save helicopter gears from failure

Topic: Continuous formation of nanointerface to promote super-low friction

Topic: Application of contact mechanics to tribological failures of a nuclear fuel

**MYTRIBOS
President**

Prof. Ts. Dr. Salmiah
Kasolang

**MITC2020ne
Chairman**

Prof. Ir. Dr. Syahrullail
Samion
